## What do we do?

Our mission is "To transform lives by sharing Christ through our gifts and resources." We are not a food shelf, per se, but we have some aspects of some food shelves. Our scope of responsibility is as follows:

1. Get free "Blessing Bags" into the hands of needy/homeless individuals. The bags contain food, water, and hygiene items.
2. Provide free "Meal Kits" to needy families. These kits contain all the necessary ingredients for a family of 4-6 along with recipes for preparation.
3. Provide diapers, paper products and limited hygiene items to needy families free of charge.
4. Act as broker between donors who have clothing, furniture and appliances and clients who have a need. Again, the service is free of charge.

## Our services

We are concerned about your welfare and we want to assist you. Our goal is to meet your immediate physical needs by providing meals, clothing, and daily necessities such as hygiene items, diapers, and cleaning supplies.

We are also interested in forming lasting personal relationships with you. We would love to visit with as we service your physical needs.

We are available to share the gospel of Jesus Christ with you. We will provide you with Bibles and daily devotional material if you wish. We are also available to discuss your spiritual needs.
